

HRD LOWLOADER LOWLOADER 6M EXTENDABLE, STEERING AXLE.

General characteristics

Brand	HRD
Subcategory	Semi lowloader
Year of construction	2012
Date of first registration	01-02-2012
Condition	Used
General state	generalCondition.average
Reference	TN2017

Properties

Single weight	10.560kg
Load capacity	39.440kg
GVW	50.000kg
Length	1.378cm
Width	254cm
Serial number	W09STTB3NBEN10046

Technical specifications

Number of axes	3
----------------	---

Description

= Additional options and accessories = - Steering Axle = Remarks = loading bed 9.1m-15.1m long plateau 3.4m long loading floor height 1m

Accessories

- Air suspension
